

ALONZO KING LINES BALLET

KIDS AT LINES

Kids at LINES Scholarship Fund

Alonzo King LINES Ballet strongly believes dancing is for everyone. We strive to make dance education more accessible to our community and inclusive of those who have been historically excluded and under-served. Alonzo King LINES Ballet provides a limited number of full and partial need-based scholarships to Kids at LINES per program session, **with priority given to BIPOC students**. The Kids at LINES Scholarship Fund is made possible through support from The California Wellness Foundation.

Applications are reviewed and granted on a rolling basis throughout the year. All families will be notified no later than one week prior to the start of a new session. Submission of an application does not guarantee aid will be granted, however, aid will be granted to all who meet the qualifications until space within the program(s) has filled or funds are not available.

Kids at LINES classes for students ages 5-12 provide dance experiences that enhance learning, inspire creativity and contribute to a sense of wellness. Students connect together while moving and grooving in community.

We offer weekly classes in Ballet, Contemporary, Hip Hop and other rotating world dance styles during the fall, winter and spring. Kids at LINES also offers full and half-day summer camps. Our classes and camps are taught by experienced teaching artists dedicated to culturally responsive teaching and to creating equitable and inspiring movement learning experiences for all of our students.

Kids at LINES is designed to be a non-competitive learning and exploration experience for children, from their first introduction to dance to more challenging training and creative experiences as they age. As students reach the age of 12 and progress through Kids at LINES programming, they will be prepared to transition into LINES Ballet's Teens Program, where scholarship opportunities are also available.
