

# ALONZO KING LINES BALLET

## DANCE CENTER

### Eligibility for Admission to LINES Dance Center's Advanced/Professional-Level Ballet Class

In order to be allowed to take an Advanced/Professional Ballet Class, you must demonstrate professional-level competence as a ballet dancer. Your work in performance art, circus arts, burlesque or Dance Theater may qualify you for the Professional Rate but it will not guarantee your admission to the Advanced/Professional Ballet Class.

To take Advanced/Professional Ballet Class, you must demonstrate:

- A developed sense of spatial organization
- Proper alignment and turnout
- A thorough understanding of ballet terminology

In addition, if asked, you should be able to execute professional-level competence in all areas of the class. Some examples include:

- Batterie, (e.g. entrechat quatre, entrechat six, brisé volé, etc.)
- Pirouettes en dehors and en dedans in the following positions: retiré, attitude devant, attitude derrière, à la seconde, arabesque, etc.
- Petit and Grand Allegro (e.g. ballonné battu, sissonne doublée, cabriole devant/derrière, grand fouetté sauté, grand pas de chat, etc.)

If you are not eligible for the Advanced/Professional Ballet Class, we recommend that you take the Intermediate/Advanced Ballet Class at 11:15am.
