

# ALONZO KING LINES BALLET

HEART WITH LINES

## Community Programs Internship

The **HeART with LINES Community Programs Internship** is a professional development experience for San Francisco-based individuals who are seeking opportunities in dance education and arts administration. Interns provide administrative support to LINES Community Programs. Through [HeART with LINES](#), our PreK-8th grade residency program, interns also teach multi-week residency classes in concept-based and academically integrated dance learning in schools and community centers throughout San Francisco and Berkeley.

Founded in 1982, [Alonzo King LINES Ballet](#) is a San Francisco Black-founded non-profit organization created with the purpose of touching hearts and stirring minds through dance. [HeART with LINES](#) school partnerships are developed to connect the philosophy and approach of Alonzo King to the everyday experiences of students, youth and families in the Bay Area, with an emphasis on individual creativity, community collaboration, social emotional learning, justice, equity, and discovery.

Black dancers/choreographers and individuals interested in arts administration are strongly encouraged to apply.
